**INTERVIEW SUMMARY**

Mail Stop Issue Fee  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Applicant would like to thank Examiner Worjloh for discussing the above-captioned application with Applicant's undersigned representative during a telephonic interview on June 12, 2008. No other parties were present during the interview.

Examiner Worjloh and Applicant's representative first discussed the Miscellaneous Communication mailed June 10, 2008, enclosing returned PTO Forms 1449 from Information Disclosure Statements received at the United States Patent Office on May 5, 2005 and March 3, 2006. The returned PTO Forms 1449 indicate that the Examiner considered the references identified therein. Applicant appreciates the Examiner's consideration of all of the references identified by Applicant in these Information Disclosure Statements. Applicant's representative and the Examiner agreed that the Miscellaneous Communication misidentified the date of one of the Information Disclosure Statements as March 3, 2005, instead of March 3, 2006.

Application Number 10/714,758

Applicant's representative pointed out that the listing of allowed claims in the Notice of Allowance mailed May 5, 2008 was incorrect. Based on the Request for Continued Examination filed January 28, 2008, the allowed claims should be 55, 56, 58-60, 62-64, 66-73, 156, 164-166, 172, 173 and 178-220. The Examiner agreed to correct this error.

Applicant's representative and the Examiner also discussed the paragraph numbered 1 on page 2 of the Notice of Allowance. The Examiner confirmed that the Examiner had considered all items referred to in this paragraph, including the prosecution history of the Parent Application.

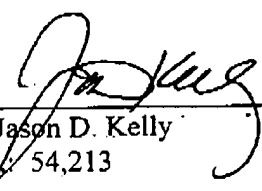

No claims or prior art references were substantively discussed. No exhibits were presented. No other agreements were reached.
